

Art Subject Intent

At Carleton Green, Art and Design develops creativity, sets challenges, engages and inspires children and provides opportunities to:

- Develop knowledge and skills to enable each child to experiment, invent and create their own works of art, craft and design.
- Access a curriculum that enables them to achieve or exceed their potential.
- Express their creativity as individuals and provides opportunities for Able, Gifted and Talented children to shine and excel.
- Showcase a personal progression of skills through opportunities to develop and practice skills taught (Art sketch books, displays, competitions, clubs).
- Link Art work through other subjects and the wider curriculum.
- Enjoy and be inspired by Art...and have fun!

Art and Design can contribute to the Early Years curriculum by:

- Make imaginative and complex small world toys and construction kits.
- Develop their own ideas and use materials to express them.
- Return to and build on previous learning, refining ideas.
- Create collaboratively, sharing ideas, resources and skills.
- Creating labels for their designs and work.
- Using inspiration from the World around them and incorporating into Art.
