Elf Run - Friday 12th December

We are delighted to announce that our Elf Run will take place on Friday 12th December. Children are welcome to come to school dressed in festive clothing, such as Christmas jumpers, to help us celebrate the occasion.

Throughout the morning, the children will take part in a fun run around the school grounds, enjoying some festive cheer while keeping active. The event is being held to raise money for Brian's House, and any contribution big or small is greatly appreciated.

Here is the donation link: <https://www.justgiving.com/page/carleton-green>

The event will run in stages throughout the morning with EYFS and Little Chicks starting, followed by KS1, UKS2 and LKS2. Each group will take part for around 20 minutes.

Thank you for your support—we're looking forward to a wonderful, festive event!

Thank you for your continued support both within and beyond school.

**Dancing Success**

Here we have Órla, one of our Little Chicks, who competed in her first ever dance competition last weekend. Órla is always reminded just try her best in everything that she does and that certainly paid off as she came second in acro and seventh in lyrical. Her family, along with her dance friends, are so proud of her.

Órla we are so proud of you too! Well done!

Thank you for your continued support both within and beyond school.

### Football Success

Here we have our Football team, Blake, Alfie, Matthew, Daniel, Harry, Ben, Teddy and Ollie, who went along to Poolfoot last Friday to take part in a football tournament.

The boys were absolutely amazing! They made it all the way to the finals where unfortunately they lost on penalties 4-3 (I hate penalties!). The boys were absolutely phenomenal and I am aware there was a lot of noise from the fans (Mrs Kelly-Bodell).

Well done boys, we are so proud of you!

Thank you for your continued support both within and beyond school.

### Tenpin Bowling

On Wednesday, Mrs Crooks and I, had the pleasure of taking 6 of our KS2 children along to a Tenpin Bowling event that was put on at Thornton YMCA. The children had an amazing time and demonstrated great resilience and determination.

### Polite Notice - Dogs

I genuinely enjoy seeing many of you—and your dogs—as you drop off and pick up your children. It adds a lovely community feel to our mornings!

However, I need to address a recurring issue that is compromising the hygiene and safety of our school grounds:

- **Cleanliness:** On a few occasions recently, staff have had to clean up dog mess on the playground before children could safely play.
- **Building Hygiene:** We have also had reports of children leaning against the building and then smelling of dog urine.

The safety and hygiene of the playground and building, where children spend their time, is our absolute priority and I hope you understand that if this does continue I will have no choice but to ban all dogs from the school premises and playground area. This action is necessary to ensure a clean and safe environment for our children.

Thank you for your understanding on this matter.

### Help wanted - Readers

I appreciate I have asked a number of times and then not followed up with this.

I am looking to invite volunteers into school to listen to our wonderful children read. I would like to confirm days and times with those interested before Christmas, ready to start in the new year.

If you are still keen on volunteering, please can you let me know your availability and I will plan a timetable.

I will let all volunteers know by Monday 8<sup>th</sup> December their days and year groups.

Thank you for your continued support both within and beyond school.
