A huge Happy New Year to you all!

I have loved having everyone back in school and hearing about all the wonderful things the children and their families have been up to over the festive period. Seeing how well the children have started this year has shown me that 2026 is going to be a great year for us all at Carleton Green.

Thank you for your continued support both within and beyond school.

### Cross Country Success

Here we have Theo, one of our lovely Year 5 boys, who before Christmas competed in a cross-country event for Lancashire. We are all aware that Theo is well-known for breaking records and winning trophies for his running and again, he did not disappoint.

Theo won the Under 11 category, which is simply phenomenal.

Well done Theo, we are so proud of you!

### Football Success

Here we have Jett, one of our lovely Year 4 children who entered the Fleetwood Gym Christmas Tournament over Christmas. Both him and his team, the TCFC U9 Tigers, played brilliantly as they sailed through the phase to get into the plate. The team were fantastic and won the final game to lift the plate.

Well done Jett, we are so proud of you!

Thank you for your continued support both within and beyond school.

### Thank you!

A big thank you to all who have offered to support our children with reading in school. I know the children love showing off their reading skills to visitors, so they have really enjoyed the sessions that have taken place so far.

If this is something you would be interested in, please send me an email or a dojo and we can organise a convenient day and time.

# WORLD BOOK DAY

5 MARCH 2026

### World Book Day 2026

Mrs Clark's favourite time of the year. A chance to dress up and enjoy books and stories! This year we are starting the week with a visit from Luke Temple, Luke was born on Halloween, 1988. When he was a child, Luke was rubbish at spelling, he didn't enjoy reading and he found writing hard work. Yet today he's an author and loves reading and writing. That doesn't mean he now finds it all really easy - he doesn't! Reading and writing are both still a big challenge for him. That just shows that anything is possible - even if you struggle with reading and writing, you can find a way to enjoy that challenge ... and you might even become an author!

Thank you for your continued support both within and beyond school.
