Another great week!

Our final week of the half term and the children have been busy, yet again.

Ducklings have been waiting patiently to see if they can spot any signs of life in their pond. Some of the boys decided that after only spotting a few pond insects, the frogs must be sleeping somewhere warmer, like under the shed or at the bottom of the pond, under the leaves.

Year 3/4 have been exploring conductors and insulators of electricity, as well as making switches.

Falcons have been preparing for their assembly this week.

Here they are completing their landscape mixed media paintings, ready to share with their parents and carers.

Thank you for your continued support both within and beyond school.
