20<sup>th</sup> March - Robins Class Assembly

24<sup>th</sup> March - LKS2 Performance - Morning performance

26<sup>th</sup> March - LKS2 Performance - Afternoon performance

27<sup>th</sup> March - School Closes - There will be no After School Club on this day.

27<sup>th</sup> March - School Closes

In the blink of an eye, half term came and went and before we knew it, we were back to school.

But my goodness, the children have been as amazing as ever!

Our Little Chicks have been working hard making an igloo in preparation for their next topic, The Arctic and The Antarctic.

Ducklings have come back to school with bags of enthusiasm. They have been extremely eager to get back to their lolly stick challenges.

Year 2 have been using metre sticks to measure big objects.

I also had the pleasure of hearing all about the learning Parrots Class have been doing on explorers. The whole class worked together, building on from what each other had said and adding more information about the 3 explorers they have been learning about. I was blown away with all they had remembered and how confidently they were able to talk to me about it.

Well done Parrots Class!

Thank you for your continued support both within and beyond school.

## Stars of the Week!

Brown Ducklings - Tobias

Yellow Ducklings - Molly & Corey

Parrots - Bertie

Robins - Myles & Hugh

Hérons - Valencia

Kestrels - Elena

Owls - Ruby & Solomon

Doves - Luna-Lily

Hawks - Grayson & Jack

Falcons - Jude & Ivalyo

Eagles - Daniel

### Aikido Success

Here we have Dilara, one of our lovely Year 3 girls, who was extremely busy over the half term holiday, working on her Aikido skills.

Dilara has been successful in passing her red belt grading.

Well done Dilara, we are very proud of you!

### Shout-Out Postbox

We have recently launched our Shout-Out Postbox in school. Throughout the week, children and staff can post shout-out notes to celebrate acts of kindness around school. Here we have our most recent Postbox Winners. As a special prize, the children are invited to join Miss Clarkson for juice and biscuits. It was so lovely to read all of their messages.

Well done everyone!

Thank you for your continued support both within and beyond school.

## Still time to book!

You are cordially invited to attend our Wonderful Women Event, a special afternoon dedicated to honoring the influential women in our children's lives. Whether it is a mother, grandmother, aunt, or a cherished family friend, we invite you to join us for a moment of appreciation and community.

This event offers a dedicated space for children to express their gratitude by preparing a living gift—a beautiful potted plant—to present to their guest of honor.

- **Date:** Monday, 9th March
- **Location:** School Hall
- **Contribution:** £5.00 per child (includes the cost of the potted plant)

To ensure a comfortable and intimate experience for all guests, the afternoon will be hosted in 30-minute sessions. We invite you to select a time slot that best suits your schedule during the booking process. Throughout your visit, a selection of chocolates and light refreshments will be served for you to enjoy.

## Spring is almost here!

You may have noticed our beautiful daffodils and crocuses beginning to bloom!

Our children have been busy learning about pollinators, discovering that these early flowers provide a vital 'first meal' for bees waking up from winter. To support their learning and protect our school grounds, we kindly ask that children refrain from picking the flowers or standing in the flower beds.

By keeping the blooms intact, we are:

- Feeding the bees: preserving essential nectar and pollen.
- Protecting bulbs: preventing soil compaction so the flowers return next year.
- Practising respect: showing the children how to care for our shared environment.

Thank you for helping us keep our 'outdoor classroom' thriving!
