A week to be proud of

It has been a truly fantastic week at school! We started things off on a high note with a wonderful visit from the author Luke Temple. He brought so much energy to the school, and the children loved hearing his stories. It was the perfect way to get everyone excited about reading and writing right from Monday morning. It was even more exciting to have Luke back with us on Wednesday to sign books for the children—seeing their faces light up as they got their own copies was a real treat!

I've also been so impressed by how hard the children have been working in their lessons. They've shown great focus and a real "can-do" attitude. Even better than the hard work, though, has been the kindness and respect we've seen everywhere. From helping each other on the playground to being polite in the halls, the children are doing a great job of looking after one another.

Thank you for your continued support both within and beyond school.

🦸 Super Ottillie's Big Hair Mission! ✨

We have some incredible news to share! Over Christmas, Ottillie told her parents that she wanted to donate her hair to help others. After a little digging, they realised she had her heart set on supporting, 'The Little Princess Trust', an amazing charity that provides real-hair wigs to children undergoing cancer treatment.

We are beyond proud to announce that Ottillie has officially made the cut! Not only has she donated her beautiful hair, she has raised over £2,135 in the process! 🦸

That is enough to fund nearly THREE wigs for children who need them most.

Ottillie, we are so incredibly proud of your kind heart and your bravery. You've shown us all that you're never too small to make a massive difference! ❤️ ✨

YOU ARE
SUPERSTAR

Thank you for your continued support both within and beyond school.

☀️ Star Swimmer Alert! ☀️

We have some very exciting news from the Yellow Ducklings class!

A huge congratulations to Harmony, who has been making a massive splash lately. Yesterday, Harmony was awarded not one, but two incredible achievements:

- Her Rainbows Badge 🌈
- Her Swimming Badge & Certificate 🏊‍♀️

The best part? Our very own Danny Duck was there in person to cheer her on and watch her receive her awards! We are all so proud of Harmony's hard work and confidence in the water.

Keep up the amazing work, Harmony! 🥰 🍷

🏠 Love Our Neighbors! 🚗

Let's keep the school run stress-free for everyone—including the people who live next door! A quick reminder to help us stay on good terms with the community:

- **Driveways are VIP:** Please avoid blocking or overhanging driveways, even for a quick drop-off.
- **Give 'em Space:** Avoid parking on sidewalks or too close to corners so neighbors can get in and out safely.
- **Keep it Quiet:** Try to keep engines off while waiting and music at a "neighborly" volume.

A little courtesy goes a long way in keeping our school a welcome part of the community. Thanks for your help! 🙏

Wonderful Women Event

☀️ Our Amazing World Book Week! ☀️

What a week! From giant quizzes to mystery teachers, Carleton Green was buzzing with book magic. Here are our "best bits":

👉 The Best Costumes Ever!

It wasn't just us—the whole school looked like it jumped right out of a storybook! We had heroes, villains, and everything in between. Even the teachers looked totally different!

🕵️ The Great Mystery: Where's Mrs. Clark?

The biggest surprise of the week was finding out Mrs. Clark was hiding under the stage! We had to look everywhere to find her. It's not every day your Headteacher goes on a secret mission in the hall!

📖 Meeting a Real Author

We got to meet Luke Temple, who showed us that even if you find reading or writing tricky sometimes, you can still become a superstar author. He told us all about how he creates his stories and inspired us to start our own adventures.

🏆 Quizzes and Prizes

We put our thinking caps on for the big book quizzes. Who knew we knew so much about our favourite characters? The children were loud, proud, and full of "I know that one!" moments.

WORLD BOOK DAY**
