What a fantastic week we have had at school! The building has been filled with the sound of music as our Year 3 and 4 children ramp up their production rehearsals.

The children have been working incredibly hard, and their singing is sounding truly beautiful. It is wonderful to see their confidence growing as they prepare to take to the stage.

In honor of Science Week, our classrooms were transformed into hubs of discovery. We were so grateful to welcome our parent visitors, who took the time to talk to the children about their fascinating jobs. These visits are so important for showing the children how science and problem-solving work in the real world. From classroom experiments to thoughtful discussions, it's been a week of constant curiosity.

Our youngest learners in EYFS have also been busy tackling some big questions.

They took on the challenge of "Can you make dirty water clean?" and had a brilliant time investigating the results. It was a joy to see them so engaged with the process of filtering and cleaning water, proving that you're never too young to be a scientist!

Thank you to everyone who contributed to making this week so special. We hope you have a restful weekend, and we look forward to more exciting learning next week.

Thank you for your continued support both within and beyond school.

### Success in our Community!

It's always a joy to see our children shining outside of the classroom. We want to say a huge congratulations to Josh, one of our lovely Year 5 boys, for receiving the Chief Scout's Silver Award on Tuesday!

Between earning his Silver Award and being selected for an international trip to Switzerland this August, Josh is showing us all what hard work and commitment look like. We're so lucky to have such an ambitious leader in our school!

This is the highest award a Cub can earn. To complete it, you need to earn six Activity or Staged Activity Badges of your choice, as well as all seven of the Challenge Awards. The Chief Scout's Silver Awards shows that you've given new things a go, played your part, and stuck it out, even when the going got tough. It's a really big achievement, and you should be proud.

Thank you for your continued support both within and beyond school.

## Wonderful Women Event!

What a lovely afternoon we have had celebrating the Wonderful Women in our lives. The children enjoyed spending time with their loved ones, choosing their own special plant, writing their own beautiful messages and eating lots of biscuits and chocolates.

A huge thank you to our wonderful PTFA for preparing for this event. We had gorgeous tablecloths and bunting, special flower pots and as mentioned the wonderful treats. Thank you to Mrs Hicks, Rachel, Sue, Laura, Michele and Mrs Strickland for giving up their time to help support at the event.

## ◆ The Big Chocolate Raffle: Get Your Tickets Next Week! ◆

It's time to satisfy that sweet tooth! We are excited to announce that tickets for our Grand Chocolate Raffle will officially go on sale starting next week.

We have some incredible prizes up for grabs that are sure to be a hit:

- 🏆 1st Prize: The "Showstopper" Large Chocolate Hamper
- 🎁 2nd Prize: A Deluxe Medium Chocolate Hamper
- 🎁 3rd Prize: A Lovely Little Treat Hamper

📌 Plus: Loads of runner-up prizes, so there are plenty of chances to win!

Mrs. Clark will be out on the playground before and after school every day next week. To make things as easy as possible, we are able to accept both cash and card payments.

All proceeds go toward supporting our school projects, so please come along and grab a ticket (or five!).

**Good luck to everyone!**

Thank you for your continued support both within and beyond school.
