### Football Success

On Tuesday evening, our girls football team went along to Poolfoot to play their first fixture in the girls league. The children were up against Poulton St John's and played amazingly. They won the game 5-0.

Let's hope this success continues over the coming weeks.

Here we have Kennedy, Ella, Lizzie, Jessica, Eva N, Eva S and Mya.

Well done girls, we are very proud of you!

Thank you for your continued support both within and beyond school.

### School Field

We know just how much the children have been longing to get back onto the grass! We've heard the many (many!) requests over the last few weeks, and we are just as eager as they are to get out there.

To make sure our first week back on the field is a success, please help your child with a few "outdoor ready" essentials:

#### Staying Healthy & Happy

With the grass being mown and the pollen starting to pop up, we want to make sure everyone feels their best while playing:

**Hay Fever:** If your child gets the "sneezes," please ensure they've had their allergy medication before school.

**Medication Check:** It's a great time to ensure that any school-held inhalers or medicines are up-to-date and ready to go.

#### Sun & Safety

If we get lucky with a very sunny day, please remember to apply sun cream before school so the children can play safely all lunchtime long.

We can't wait to see the children finally running around and enjoying the extra space they've been asking for!

### Karate Success

Here we have Harrison, one of our lovely Year 6 boys, who has excelled himself this time. We have always loved seeing how well Harrison has been doing in his Karate over the years, and I know how much work he puts in week in, week out.

Well....

On Sunday 12<sup>th</sup> April, Harrison attended and trained at an England National Karate Governing Board selection panel in Leicester. Lasting 2 hours, Harrison was put through his paces on fitness, technique, knowledge and competitive performance.

The following day, Harrison received official confirmation that he has been successfully picked to represent his country at the forthcoming World Karate Federation Youth Camp and Under 12 Cup in Porec, Croatia this June.

This is a major milestone for Harrison in his Karate journey, as he will travel to Croatia for a week, where he will train, learn and compete with some of the best young talent from around the world.

This is amazing, and all of us here at Carleton Green are so proud of Harrison.

We can't wait to hear all about it!

Thank you for your continued support both within and beyond school.
