Race for Life!

I am absolutely delighted to share a brilliant achievement from one of our Ducklings, Arla. On Wednesday night, she ran the 5k Race for Life, crossing the finish line in a fantastic 42 minutes!

Even more impressively, she raised an amazing £690 for Cancer Research.

What an incredible effort for such an important cause. Your family and all of us at Carleton Green are so proud of you, Arla—you are an absolute superstar!

Thank you for your continued support both within and beyond school.

Basketball Success for Teddy!

We have some fantastic sporting news to share with you all!

Recently, one of our wonderful Year 6 pupils, Teddy, attended the highly competitive trials for the Preston & Myerscough basketball team.

We are absolutely thrilled to announce that Teddy blew the coaches away and has secured a place in the squad for the upcoming season! He will be competing at a fantastic level in the Basketball England U12 regional league.

This is a massive achievement, and we know how hard Teddy has worked for it. His family are extremely proud of him, and everyone here at school is equally bursting with pride!

Please join us in giving Teddy a huge round of applause. We can't wait to see how he gets on this season—go get 'em, Teddy! 🙌🙌🙌

Thank you for your continued support both within and beyond school.

Dear Parents and Carers,

We are excited to share a simple, free way you can help us raise extra funds for Carleton Green Community Primary School – all while doing your regular online shopping!

We have partnered with easyfundraising, a platform that turns your everyday online purchases into free donations for our school.

How it works:

It's incredibly straightforward. Over 8,000 major retailers (including Amazon, John Lewis, M&S, eBay, Just Eat, and many more) have agreed to donate a percentage of what you spend to us as a "thank you" for shopping with them.

- **It's 100% free:** You do not pay a penny extra. The donation is paid directly by the retailer.
- **It's simple:** Whether you're buying groceries, booking a holiday, or picking up a gift, you can raise money for us at the same time.

How to get started:

1. **Join:** Visit our unique easyfundraising page at: <https://www.easyfundraising.org.uk/causes/carleton-green-community-ptfa>
2. **Shop:** Once you've signed up, simply start your online shopping journey at the easyfundraising website or app.
3. **Raise:** When you click through from easyfundraising to your chosen retailer, the donation happens automatically!

Never miss a donation:

To make it even easier, you can install the Donation Reminder on your browser. It will automatically pop up when you visit a participating retailer's site, so you never forget to claim a donation. You can also download the easyfundraising app for your phone or tablet.

Every donation, big or small, makes a real difference to the development of our new school library.

Thank you for your continued support—we really appreciate it!

Player Recruitment

We (Poulton Towns U9 lionesses - Y4 from September) are currently actively recruiting for a couple of extra players. I wondered if perhaps you would be able to display or post in newsletters you may have our poster advertising, I appreciate this may not be possible but thought it was worth asking.

We are a very inclusive team so experience level is irrelevant we just want the girls to have fun and enjoy playing a bit of sport!

Thank you for your continued support both within and beyond school.
