Not only did they represent our school brilliantly, but they also showed incredible teamwork, fantastic sportsmanship, and outstanding skill throughout the day. Thanks to their hard work and determination, they came away as the overall champions!

We are incredibly proud of all the children involved. A huge thank you to Mr Bowes for coaching and supporting the team, and to all the parents for their continued support.

🎉 An Absolute Sporting Spectacular! 🌞

On Wednesday, Carleton Green was proud to host our annual sporting event! We welcomed five local schools to compete in a thrilling range of events, including the sprint, throwing, long jump, and the relay.

All of the children who took part were an absolute credit to their schools. They showed incredible strength and determination in every single event.

Even more heartening was the fantastic sportsmanship on display—it was truly lovely to see competitors from all schools cheering each other on so loudly!

A huge thank you goes out to:

- All the visiting schools, staff, and parents for joining us and making the event so special.
- Our wonderful PTFA for keeping everyone hydrated and supplied with refreshments on what was a very hot evening!
- Team Carleton Green for being absolutely fantastic from start to finish, earning us a brilliant 2nd place overall!

We are incredibly proud of all our athletes.

Thank
you for
being
all kinds
of amazing

Thank you for your continued support both within and beyond school.

Help Us Build Our Dream Library!

We are excited to share that we are fundraising to create a brand-new, dedicated library space situated in the wing!

Our goal is to foster a lifelong love of reading by giving the children a beautiful, dedicated space to dive into books. We plan to fully utilize this area so that children can enjoy a wonderful indoor environment, and even take their books outside to read in the fresh air.

How it works:

It's incredibly straightforward. Over 8,000 major retailers (including Amazon, John Lewis, M&S, eBay, Just Eat, and many more) have agreed to donate a percentage of what you spend to us as a "thank you" for shopping with them.

- **It's 100% free:** You do not pay a penny extra. The donation is paid directly by the retailer.
- **It's simple:** Whether you're buying groceries, booking a holiday, or picking up a gift, you can raise money for us at the same time.

How to get started:

1. **Join:** Visit our unique easyfundraising page at: <https://www.easyfundraising.org.uk/causes/carleton-green-community-ptfa>
2. **Shop:** Once you've signed up, simply start your online shopping journey at the easyfundraising website or app.
3. **Raise:** When you click through from easyfundraising to your chosen retailer, the donation happens automatically!

Every donation, big or small, makes a real difference to the development of our new school library.

Thank you for your continued support—we really appreciate it!

A HUGE thank you to our incredible PTFA, who have already raised a staggering amount to get us started!
