Owls – Oscar
Doves – Theon
Falcons – Shelley-May
Eagles – Jessica & Jack
Hawks – Eric

Stage Success

Shoutout to our very own Year 6 star, Jack! 🌟

Over the summer, Jack took to the stage as Eugene in Blackout Theatre Company's production of *Grease*. Not only did he nail the role across two fantastic performances, but he was also the youngest member of the entire cast!

After an intense, high-energy week of rehearsals, Jack delivered an unforgettable performance. We are so proud of his talent, hard work, and bravery—way to go, Jack! 🎭👏

A huge round of applause for Charlotte, who did something truly amazing over the summer! ✂️💖

She braved the chop to donate her hair to the Little Princess Trust, helping to provide real hair wigs for children and young people facing hair loss. On top of her brave haircut, Charlotte raised a whopping **£845** to support the charity's vital work.

We are incredibly proud of her generosity, kindness, and big heart—what an absolute superstar! 👑👏

Thank you for your continued support both within and beyond school.

Cricket Success

An incredible effort rewarded! 🏆🏅

Here's Grayson proudly showing off his hard-earned medal and trophy after an outstanding cricket performance. It takes real determination and practice to achieve a result like this, and we couldn't be prouder of his dedication.

Way to go, Grayson—keep aiming high! 🏏✨

Football Success

A huge congratulations to Jessica in Year 6, who got her football season off to a flying start last weekend!

Playing in her team's very first league match of the season, Jessica put in an outstanding performance on the pitch and was named Player of the Match.

We love celebrating our pupils' achievements outside of the classroom. Well done, Jessica—keep up the fantastic work!

⚽🏆

🐾 REMINDER: Keeping Our Playground Safe & Happy for Everyone

We know how much joy dogs bring to family life, and we love seeing your four-legged family members during the school run. However, we need to gently ask for your support with a playground update:

- Easing Childhood Anxiety: Several of our pupils are very frightened of dogs, and this fear is making them anxious about entering the playground and starting their school day.
- Maintaining Hygiene: We have recently had issues with dogs urinating on outdoor play equipment. Keeping these areas clean, hygienic, and safe for daily play is vital for our children's health.

To ensure every child feels safe, confident, and ready to learn, dogs are no longer permitted on the school playground. *(Registered assistance and guide dogs are, of course, always welcome.)*

We know walking the dog to school is a cherished routine for many families, and we don't take this decision lightly. Thank you so much for your understanding, cooperation, and ongoing support in keeping our children's well-being front and center!

Thank you for your continued support both within and beyond school.
